Glossary of Terms Used:

What do these mean:

Course Cost (Maximum Tuition Fee): the full amount of the course – remains the same no matter how paying for course – with either payment plan or with a VET Student Loan

Paying with Fortnightly Payment Plan: Paying the course cost via a payment plan – paid fortnightly usually on credit card. Lists the number of fortnights needed to pay off the total course cost

Paying with VET Student Loan: paying the course fees with a loan from the government. Lists the amount for each

qualification **VET Student Loan Limit:** the amount of VET Student Loan allowed by the government for each qualification

Student contribution (Gap) - Paying with Fortnightly Payment Plan: The total gap is the amount of your course that is over the amount you can get a VET Student Loan for. You can pay this amount via a payment plan, paid fortnightly. This is the out of pocket amount due for the subjects (VUS) covered in that trimester that is not covered by the VET Student Loans.

***Double & Triple Qualifications:** 2 or 3 qualifications are awarded. By completing a few extra units (subjects) means you gain 2 or 3 qualifications at the same time. You also save a heap of money, compared to paying for the courses individually. Students who enrol in the first qualification may also enrol in the extra units needed from the 2nd qualification to also qualify for that 2nd qualification. Units from the 1st qualification when completed are used as credits towards the 2nd qualification. Enrol in both or all listed qualifications.

Academic Calendar: Global Training Institute offers a Flexible self-paced format of study, allowing a student to enrol on any given day, so no set study periods apply as a whole college. College is closed for 2 weeks over Christmas.

Duration: Certificate IV = 12 months: includes 8 weeks holidays at the end - 44 academic weeks (3 trimesters).

Diploma = 12 months: includes 8 weeks holidays at the end - 44 academic weeks (3 trimesters).

Advanced Diploma = 18 months: includes 12 weeks holidays at the end – 66 academic weeks (3 trimesters)

Rolling Start Dates - At Global Training Institute, we have rolling start dates, which means you can enrol into and start your course on any business day (Monday to Friday) of the year from mid-January to mid-December! No waiting for the next semester and no worrying about missing the next intake, we can start you in the course you like, when you like.

Certificate IV Courses and Non-VET Student Loan Approved Courses: Students are enrolled into, and have access to all of their Units at the commencement of their course. Fees are due and invoiced for the whole course at the commencement of the course (often paid as a payment plan over the course duration).

VET Student Loan Approved Diploma and Advanced Diploma Courses: To comply with our VET Student Loan Approved College requirements, Students are enrolled into their Units in a trimester format (3 blocks of units) spread evenly over the duration of the academic period of the course, to match the required 3 fee periods. Fees are due for that trimester (block of units), at the beginning of the trimester.

If a student completes their trimester block of units early, they can request entry into the next block, using the 'Early Completion Form'. If no early completion request is made, students will be automatically enrolled into the next block (trimester) at the below timings.

Diploma Qualifications: Access Trimester 1 Units: Week 1; Trimester 2 Units: Week 14; Trimester 3 units: Week 28

Advanced Diploma Qualifications: Access Trimester 1 Units: Week 1; Trimester 2 Units: Week 22; Trimester 3 units: Week 44

NB. All Tuition fees must be paid before any qualification will be issued (if using VSL this means all census dates passed); or proportionally for any Statement of Attainments issued.

Start Date: The student's start date is the commencement date supplied with any Confirmation of Enrolment.

VET Student Loans – Diploma and Advanced Diploma Courses

***Double & Triple Qualifications using a VET Student Loan to pay for some or all of your fees:** Each qualification is treated individually. You will need to have a VET Student Loan for each qualification that you are undertaking and paying some or all of the amount with the VET Student Loan.

Eg. Diploma of Business + Diploma of Business Administration = 2 x VET Student Loans (1 for each qualification)

VET STUDENT LOANS for more information regarding VET STUDENT LOANS see <http://education.gov.au/vet-student-loans>

VET Student Loans approval is dependent on applicant meeting the required Eligibility Requirements and availability of loan amount within GTI allocation.

VET Student Loan Limit **: Total amount of loan you can have for this qualification. Payable over 3 fee periods – 1 for each of GTI trimesters.

VSL Loan Fee (loading): All tuition fees paid via VET Student Loans will incur a 20% loan fee that is set by the Government. This is not applied to any additional contributions made upfront to GTI.

VET Unit of Study (VUS): Each course is divided into 3 x VET Units of Study, which are a group of accredited units (subjects) that you need to complete to finish the course. At GTI, the units you complete in a Trimester equals the VET Unit of Study. A unit of study is comprised of a group of units of competency or may equal one unit of competency.

VET Student Loan Application: You only need to complete the VET Student Loans application (eCAF) once for each qualification that you are studying. The one application covers all VET units of study and subjects in your course.

VUS Start Dates: These dates are calculated from your **Confirmed Commencement Date (issued on your Confirmation of Enrolment Letter)**.

VUS Census Date: This is the date that you incur your personal loan debt (that must be paid back through your taxes with the ATO, when you reach the repayment tax amount). The Census date is the last date for you to apply for a VET Student Loan to pay for the tuition fees for the subjects in that VET Unit of Study. It is also the last date in which you can withdraw from the Vet Unit of Study before you incur a debt for the applicable tuition fees.

The census date will be a minimum of 20% of the way through each VUS, as calculated from your VUS Start Date to the Completion Date for each VUS.

Although a student requests a loan for a course, the student becomes financially liable for the tuition fees on a 'part of a course' (or unit of study) basis at the end of the census day for that unit.
